

Date	Time	Track	Presentation Title	Speaker
15-Aug	09:00 - 10:00 AM		The Role of the Laboratory in Assessing Concerns Over Vitamin D Toxicity	Reinhold Vieth, PhD University of Toronto Professor, Department of Laboratory Medicine and Pathobiology, and Department of Nutritional Sciences, Toronto, Ontario, Canada
14-Nov	09:00 - 10:00 AM		The Shocking Truth About Vitamin D Status	Gregory Plotnikoff, MD, MTS, FACP Senior Consultant, Minnesota Personalized Medicine
27-Feb	09:00 - 10:00 AM		The Measurement of 25-Hydroxy Vitamin D - An Analytical Challenge	Markus Herrmann, MD, FRCPA Associate Professor, University of Sydney, Director of Clinical Pathology, District Hospital of Bolzano, Bozen, Italy
26-Jun	10:00 - 11:00 AM		Immunoassay Serology Treponemal Screen	Tiffany MacKenzie, PhD Manager, Scientific Affairs - Infectious Disease with DiaSorin, Inc.
30-Oct	09:00 - 10:00 AM		Parathyroidism: Hypo, Hyper....what is normal, really?	D Sudhaker Rao, MB,BS, FACP, FACE Division Head, Bone and Mineral Metabolism, Henry Ford Health System
25-Jun	10:00 - 11:00 AM		Syphilis Diagnosis: Treponemal Algorithms from the Public Health Perspective	Richard Steece, PhD Director, Public Health Laboratory, State of Tennessee Department of Health
29-Feb	09:00 - 10:00 AM		Clinical Controversies in Vitamin D Testing and Treatment	Gregory Plotnikoff, MD, MTS, FACP Senior Consultant, Minnesota Personalized Medicine

17-Mar	10:00 - 11:00 AM		Herpes Serology: HSV-1 and HSV-2 Type-Specific Diagnosis from the Public Health Perspective	Richard Steece, PhD Director, Public Health Laboratory, State of Tennessee Department of Health
14-Apr	09:00 - 10:00 AM		Primary Hyperaldosteronism: From A to Z	Jonathan Williams, MD, MMSc Assistant Professor of Medicine at Harvard Medical School and Associate Physician at Brigham and Women's Hospital, Division of Endocrinology
17-May	10:00 - 11:00 AM		Epstein-Barr Virus Infections: Pay Me Now or Pay Me Later	Henry Balfour, Jr, MD Professor of Pediatrics and Laboratory Medicine and Pathology, University of Minnesota
16-Jun	09:00 - 10:00 AM		Parathyroid Functional States: How to Define and How to Assess	D Sudhaker Rao, MB,BS, FACP, FACE Division Head, Bone and Mineral Metabolism, Henry Ford Health System
14-Jul	09:00 - 10:00 AM		The Evolution of PTH and Vitamin D Testing	Damien Gruson, PhD Professor, Head of the Department of Clinical Biochemistry, Cliniques Universitaires Saint Luc
31-Aug	09:00 - 10:00 AM		PTH Testing in Chronic Kidney Disease Patients	Kevin J Martin, MD, MB, BCh, FASN Professor of Internal Medicine, Director of the Division of Nephrology, Saint Louis University School of Medicine
13-Oct	09:00 - 10:00 AM		Advances in the Diagnosis of Primary Aldosteronism	Joe Wiencek, PhD, DABCC, FADLM Associate Professor in Pathology, Microbiology, and Immunology at Vanderbilt School of Medicine Alison Woodworth, PhD, DABCC, FACB Associate Professor of Pathology and Laboratory Medicine, Medical Director of Chemistry, University of Kentucky Medical Center
7-Dec	08:00 - 09:00 AM		1,25 Dihydroxyvitamin D Testing and Its Clinical Significance	Professor Doctor Armin Zittermann Head of the Center for Clinical Studies in Thoracic and Cardiovascular Surgery
15-Feb	09:00 - 10:00 AM		Advances in Parathyroid Hormone Testing	Etienne Cavalier, PhD Professor of Clinical Chemistry at the University of Liege and Head of the Department of Clinical Chemistry at CHU de Liege

17-May	09:00 - 10:00 AM		The Clinical Utility of 1,25 Dihydroxyvitamin D	Gregory Plotnikoff, MD, MTS, FACP Senior Consultant, Minnesota Personalized Medicine
27-Jun	09:00 - 10:00 AM		Growth Hormone and the Adult Skeleton	Nicholas A Tritos, MD, DSc, MMSc, FACP Associate Professor of Medicine, Harvard Medical School
13-Jul	09:00 - 10:00 AM		Utilizing Available Biomarkers to Tailor and Individualize Therapy in Diabetes	Ajay D. Rao, MD, MMSc Assistant Professor of Medicine, Section of Endocrinology, Diabetes, and Metabolism, Center for Metabolic Disease and Research, Lewis Katz School of Medicine at Temple University
11-Oct	09:00 - 10:00 AM		Association of Biotin Ingestion with Performance of Hormone and Nonhormone Assays in Healthy Adults	Danni Li, PhD, DABCC Director of Clinical Chemistry, University of Minnesota Medical Center, and Assistant Professor of Laboratory Medicine and Pathology, University of Minnesota
29-Aug	08:00 - 09:00 AM		Implementation of Helicobacter Pylori Stool Antigen Testing in a Large Metropolitan Center: A Prospective Comparative Diagnostic Trial	Dylan R. Pillai, MD, PhD, FRCPC (C) Professor and Department Head, Departments of Pathology & Laboratory Medicine and Medicine, and Microbiology, Immunology & Infectious Diseases, University of Calgary
