

# Advances in Practical, Broad Coverage CFTR Testing

with the  
**AmplideX<sup>®</sup>**  
PCR/CE CFTR Kit\*

Date	Time	Track	Presentation Title	Speaker
	11:00 - 12:00 PM		Practical CFTR Testing To Address Coverage Gaps with the AmplideX <sup>®</sup> PCR/CE CFTR Kit*	John N. Milligan, PhD Senior Manager, Research & Development, Asuragen
	12:30 - 01:30 PM		Comprehensive Yet Streamlined Genetic Testing with AmplideX <sup>®</sup> Technology	Ninad Pendsé, MS, MBA Senior Product Manager, Asuragen
	01:30 - 02:30 PM		How Did They Do It? Real-World Lab Journeys to Genetic Test Implementation	Andrew Kincaid Senior Manager, Field Applications, Asuragen Tessa Gowan Field Application Scientist, Asuragen Stephanie Borel, MS Field Application Scientist, Asuragen Vivian Le Field Application Scientist, Asuragen
